## Have You a Gas Water Heater in Your Home?

## Start the Summer Right —With a Gas Water Heater

CO-OPERATING with Gas companies, Manufacturers and Dealers in every part of the country, we are celebrating National Gas Water Heater Week, June 4 to 9, and we are offering our (Automatic or Circulating) Gas Water Heater at the low prices of \$18.00 and \$20.00.

## Every Modern Home Should Have a Gas Water Heater

A Gas Water Heater will make hot summer days more bearable by providing plenty of hot water for your evening plunge without any of the trouble and fret that you must undergo unless your home is equipped with this master convenience.

In a dozen different ways a score of times each day, in the kitchen, laundry, sickroom and bath, a Gas Water Heater will pay dividends in comfort, convenience and economy.

Stop in today that we may personally explain the many advantages of our Gas Water Heater.
